Totally Nude

Talking Heads

Big and I'm bad and I want you to know
I hang around where the grass is greener
Totally naked, baby, totally nude
'Cause if I want to, who's gonna stop me?

I'm absolutely free living in the trees
The birdies and the bees 'cause I'm a nature boyLocked up inside, you can't tell me where it's at

Open up, open up, open the door

Rocks and trees and physical culture

Some days you hide, I guess you wonder where you are

Nature boy, nature man, take me along

We got a life that's undiscoveredWe threw it all away, throw it all away

Rolling every way it's irresponsible

So civilized, I guess you wonder where you are

Nature boy, nature man, take me along

Deep in the woods we're undiscoveredI'm a little fish and you're the river

Living in a boat that's underwater

We can tip, tip, tip it over

You can push, push, make it better nowWake your daddy up, it's a quarter to five

Our little boat has lost its rudder

Dive to the bottom and we never come up

A polka party for Bob and Martha

I'm absolutely free living in the trees

The birdies and the bees 'cause I'm a nature boyThink what you like, this is really where it's at

Open up, open up, open the door

We don't need clothes and we don't need money

So civilized, I guess you wonder where you are

Nature boy, nature man, take me along

Deep in the woods we're undiscovered
