

I Can Lift a Car

Walk the Moon

When I come home
When I come home
Oh I hear you washing in the showerMirages of you
Mirages of you
Even steam pouring through the crack at the floorI won't lose it, I won't lose it, I won't lose it
I won't lose it, I won't lose itHold it steady, hold it steady, hold it steady,
Hold it steady, hold it steadyAll by myself (I can lift a car)
All by myself (I can lift a car)
I can lift a car up
all by myselfAll by myself (All by myself)
All by myself (All by myself)
I can lift a car up
all by myselfSo very nice
So very nice
My grandpa's leather jacket and gogglesSo you kissed me
On the futon
Oh I hope you like it in ChicagoHold it steady, hold it steady, hold it steady,
Hold it steady, hold it steadyI won't lose it, I won't lose it, I won't lose it
I won't lose it, I won't lose itAll by myself (I can lift a car)
All by myself (I can lift a car)
I can lift a car up
all by myselfAll by myself (All by myself)
All by myself (All by myself)
I can lift a car up
all by myselfDid you did you
Did you know that
I can lift a car up all by myselfWell no misunderstanding
I'm not saying that you came
but you did
I can lift a car up all by myselfI've been going out
And trying to stay fit
Well I met someone who wears your glassesShe kissed me on
My new futon
And I'm clumsy cause she finds me attractiveI won't lose it, I won't lose it, I won't lose it
I won't lose it, I won't lose itAll by myself (I can lift a car)
All by myself (I can lift a car)
I can lift a car up
all by myselfAll by myself (All by myself)
All by myself (All by myself)

I can lift a car up
all by myselfDid you did you
did you know that?
I can lift a car up all by myselfWell no misunderstanding,
i'm not saying that
you came but you did you
I can lift a car all by myself
