

# Show Me Love

## Far East Movement

Show me love  
Show me light  
You're everything that I wanna see  
Show me love  
Show me love  
Tonight  
Crack a bottle roll it up show me light  
It's on, tonight  
DJ crank it, get it banging, show me light  
Show me love  
Love  
LoveRoll out make it pop now  
Live like E-D-C  
People live away  
Hands in the air  
We don't need no VIP  
Hell no  
All I need is a tribute kiss  
To make it feel like New Year's Eve  
Dirty bass up, 'till you pass out  
Living wild young and crazyCheck it out  
You better drop that thing  
Drop, drop  
You better pop that thing  
Pop, pop  
You better chop that thing  
Everybody turn it up  
You better drop that thing  
Drop, drop  
You better pop that thing  
Pop, pop  
You better chop that thing  
Everybody turn it upShow me love  
Show me light  
You're everything that I wanna see  
Show me love  
Show me love  
Tonight  
Crack a bottle roll it up show me love

It's on, tonight  
DJ crank it, get it banging, show me light  
Show me love  
Love  
LoveYo, boomin' is how I bling  
She slows right by the beach  
This is how I do it  
With my low funk sleezy E  
Booming is how I live  
Not the beach soft ball of shit  
Turned up when I'm at the crib  
Saw your basses drop to this  
Like thisEvery night  
Every night we goin' hard until we see the light,  
See the light  
If you sexy you and me tonight  
Me tonight  
We goin' hard until we see the light  
See the lightShow me love  
Show me light  
You're everything that I wanna see  
Show me love  
This is the life  
Dirty Bass  
The life  
Dirty Bass
