Crosses

Crosses

Don't you know that I'll be around to guide you?
Through your weakest moments to leave them behind you
Returning nightmares only shadows
We'll cast some light and you'll be alright
We'll cast some light and you'll be alright for now
Crosses all over, heavy on your shoulders
The sirens inside you waiting to step forward
Disturbing silence darkens you sight
We'll cast some light and you'll be alright
We'll cast some light and you'll be alright for now
Crosses all over the boulevard
Crosses all over the boulevard
Crosses all over the boulevard
The streets outside your window over flooded

People staring, they know you've been broken
Repeatedly reminded by the looks on their faces
Ignore them tonight and you'll be alright
We'll cast some light and you'll be alright
We'll cast some light and you'll be alright
We'll cast some light and you'll be alright
Cast some light, alright
Light
Be alright
Cast some light, alright
Be alright
Be alright
