

# Ravers

## Steel Pulse

Woops outside your head  
Woops outside your head  
Crucial and red When the sun goes down Me little moonshine darling  
And you're in the mood for love and you feel like dancing  
Rub it up Rub it up Rub it up Rub it up Boogie to some music  
Boogie to some music  
Boogie to some music  
Boogie to some music Come mek we go deh in a rub a dub (stylee)  
A dis ya ridim drive the whole world (wile)  
Come mek we go deh in bang diddly bang (stylee)  
I wanna know how you're feeling (irie) Sounds call ravers  
Got you craving for more  
Sounds call ravers  
Got you craving for more Come mek we go deh in a rub a dub (stylee)  
A dis ya ridim drive the whole world (wile)  
Come mek we go deh in bang diddly bang (stylee)  
I wanna know how you're feeling (irie) Reggae bandwagon is the fashion that's going around  
Dub masters back in town with the fashion that's going around  
Didn't you hear Woops outside your head  
Woops outside your head  
Crucial and red  
Woops outside your head  
Woops outside your head  
Woops outside your head Disco blaring through the window Ravers sounds got full control  
A new day is dawning arrives without warning  
Chart busting sounds to rock down the house say  
Boogie to ze muzik  
Boogie to ze muzik  
Boogie to ze muzik  
Boogie to ze muzik Reggae bandwagon is the fashion that's going around  
Reggae bandwagon is the fashion that's going around So when the sun goes down me little moonshine darling  
And you're in the mood for love and you feel like dancing  
Rub it up rub it up rub it up rub it up Sounds call ravers  
Got you craving for more  
Sounds call ravers  
Got you craving for more CHORUS  
-----  
Come mek we go deh in a rub a dub (stylee)  
A dis ya ridim drive the whole world (wile)

Come mek we go deh in bang diddly bang (stylee)  
I wanna know how you're feeling (irie)Woops outside your head  
Woops outside your head  
Woops outside your head  
Crucial and redCome mek we go deh in a earthman (stylee)  
Come mek we go deh in bang diddly bang (stylee)  
I wanna know how you're feeling (irie)  
I wanna know how you're feeling (irie)Got you craving for more  
Got you craving for more  
Got you craving for more  
more and more, more and more, more
