

Good Friend To Me

Jessica Andrews

There's no doubt you're good lookin' (I'll say)
And now I see you're lookin' (my way)
Say you want to get to know me better
Show me your side of town
I feel it when we're walkin' (and I know)
You're not just into talkin' (oh no)
I don't want to lose this new thing
'Cause it could be a good thing (hello)
Don't say you love me 'cause I feel it too
But I don't think I'm ready yet to
Make that move So give it just a minute
Hold tight
I'm not ready to commit it's my life
Yeah, you're a real fine guy
But you're gonna have to try to be
A good friend to me You keep on a pushin' (every day)
Don't realize you're pusin' (me away)
I want to tell you slow down (hold up)
Show me a little real love (wait)
I know you think you're showin' me that you care
But right now, baby, I'm not going there So give it just a minute
Hold tight
I'm not ready to commit it's my life
Yeah, you're a real fine guy
But you're gonna have to try to be
A good friend to me Come on let me hear you say I'm worth it
You say you'll be my man
I need a gentleman
And I'm counting on you So give it just a minute
Hold tight
I'm not ready to commit it's my life
Yeah, you're a real fine guy
But you're gonna have to try to be
A good friend to me
