

# Intruders

## Exciter

Fighters, igniters  
A storm of intruders  
Defenders are chosen  
To fight off soldiers of venom  
Intruders live - cast in stone  
Intruders die - Forgotten souls  
Atomic, barbaric  
Break down the fears of terror  
Evil dementors  
Send a message of power  
Intruders live - cast in stone  
Intruders die - Forgotten souls  
(SOLO)  
Atrocities, injustice  
Break down screaming killers  
Danger awaits us  
Beware of human sacrifice  
Intruders live - cast in stone  
Intruders die - Forgotten souls
