

# Deadly Assassins (feat. B-Real)

## Everlast

What, you think it can't happen?  
Soul assassins, two thousand, word  
It goes somethin' like this  
I'm Vision Quest, Fresh Fest era terrorKrush Groovie like a low budget movie  
I'm Wild Style like Lee Quinones  
Stop ridin' on my cajones  
I talk with a speak that's much uniqueWhile you desperately seek for that Susie freak  
Yo, word to Rob One he used to like the big ladies  
My name's Everlast I started back in the eighties like  
All up in your nostril, actin' hostile, thirteenth apostleGoing postal, Holy Ghost mode  
While you walkin' on the host strow actin' bicoastal  
Bitch, try to play the middle, snitch, wind up in the hospital  
Cat on a hot tin roof with no fiddle  
Put your money in the middle get broke like coalTwo deadly assassins makin' the fall  
I'm Real, I'm Everlast and I'm takin' 'em all  
Just when you thought it was safe to make a tape  
Two deadly assassins sealin' your fateI spit out the fire you won't know what hit  
Watch me lace you up quicker than the joint gets lit  
I got years in this shit what do you got a couple?  
If you gotta hustle, what do you want, trouble?Lookin' at the two who go way back like chucks  
(Way back)  
With a hand on the pump by the big black trucks  
(Fools)You can't trust a soul in the city of angels  
The strange hoes want a piece look at these lame hoes  
I stained those with hot blood and changed clothes  
And main fools who wanna rock the same clothes  
And use the same flows, these unoriginalsNiggas, all of a sudden if anyone wants to run up  
You get chastised and baptized and blood  
When the gat lies it don't matter, you scatter  
You run, you ungrateful most hateful leech niggas  
Swallow in your misery I'm out of reach niggasTwo deadly assassins makin' the fall  
I'm Real, I'm Everlast and I'm ready to brawl  
Just when you thought it was safe to make a tape  
Two deadly assassins sealin' your fateTwo deadly assassins makin' the fall  
I'm Real, I'm Everlast and I'm takin' 'em all  
Just when you thought it was safe to make a tape  
Two deadly assassins sealin' your fate
