

Simply In Love

Carroll Thompson

Just one look into your eyes,
Something melts deep down inside,
I tried so hard not to show
it but you knew it all the time,
that im simply in love with you,
and there is nothing i can do,
cuz baby im hooked on you..

Just to know that you love and care,
Cuz i know you cant always be,
just as long as im sure your mine,
i'll always be yours,
cuz im, im simply in love with you.
And theres nothing i can do cuz bby im hooked on you.

Just to know that you love and care,
Cuz i know u cnt always be,
Just as long as im sure your mine,
il always be urs,
Cuz i, im simply in love with you,
And theres nothing i can do cuz bany im hooked on you.

And i, im simply in love with you,
And theres nothing i can do, cuz baby im hooked on you
