360

Josh Hoge

Ooh, ohhSo thats the way it is
You can just go find someone else
And let me go
Like you dont know owe me a thingBut I can handle this
Ive been through it all before
And you'll get yours
And I'm gonna bounce back againYou can tell someone
That youll be there
And then walk away
Like you dont careIm not sayin' this 'cause I'm mad
I just want you to understand
One day
It's gonna catch up with youWhat goes around comes around
Baby, I thought you knew
Do somebody wrong before too long
It's gonna get done to youAnd you might think you got away with
Playin' me for a fool
Don't you know
360, it's coming right back to youYou must be sittin' on top the world
Feelin' like youre finally free
And you will see
That it wont be too longTo get what you deserve
Then youre the one somebody leaves
And youll think of me
And wish you never did me wrong babyYou can tell someone
That youll be there
And then walk away
Like you dont careYou might decide
You want me back
But itll be too late for that
'Cuz all I'll have to say isWhat goes around comes around
Baby, I thought you knew
Do somebody wrong before too long
It's gonna get done to youAnd you might think you got away with
Playin' me like a fool
Don't you know
360 is coming right back to you
Don't you know
360 is coming right back to youJust like the way that this world turns

Play the game that way
And youll get burned
Don't you know, ohhWhat goes around comes around
Baby, I thought you knew
Do somebody wrong before too long
It's gonna get done to youAnd you might think you got away with
Playin' me for a fool
Don't you know
360What goes around, comes around
Ohh
(360)
What goes around, comes around
360
(360)What goes around, comes around
360 ohh
(360)
What goes around, comes around
Is coming around
(360)Na na na na, na na na
Na na na na, na na na naa
