Difficult (Azari & III Remix)

Uffie

Don't worry if I write rhymes, I write checks
Don't worry if I write rhymes, I write checks
Don't worry if I write rhymes, I write checks
Difficult-icult-icult-icult
I write checksOpen in my books I've read
Dreaming on the Cadillac
I wonder why you pushed me on the front
While you stay in the back
They talked all around me
They screamed when they're next to meSorry I don't know what to say
I'm ruining everything you've made me
I don't feel comfortable when mother
I triedOkay I don't want to settle
If my boys signed my coochie
I
I just want to be fine with no jumpers on my mindBring the bass
And
Life is too good
I don't want to live in fear
That's why I ask him
I'm not trying to be the best
So don't worry if I write rhymes, cause I write checksDon't worry if I write rhymes, I write checksDon't worry if I write rhymes, I write checks
Don't worry if I write rhymes, I write checks
Difficult-icult-icult-icult
I write checksOn the I am singing this song
I come to take what you own
At the end of the day
Chase me on the next dayIf you don't want to play me
If I lose
You are going down with me
If I winYou've got eggs in the same basket
Writing the check
Drugs come freeDon't worry if I write rhymes, I write checks
Don't worry if I write rhymes, I write checks
Don't worry if I write rhymes, I write checks
Difficult-icult-icult-icult
I write checksDon't worry if I write rhymes, I write checks
Don't worry if I write rhymes, I write checks

Don't worry if I write rhymes, I write checks
Difficult-icult-icult-icult
I write checks
