On Top of the World

The Rifles

I'm at the top of the world
I'm on top of the world when you're on my mind
You're my heaven and hell
You're my lullaby
That gets me off to sleep in the nightWhen I'm in the dark you're a shining light
And I believe in myself when you're at my side
And I'm never gonna feel so alive
Without you there I'd die
I'm at the top of the world
I'm on top of the world when you look my way
You're my wish in a well
You're another day
That hits me like a tip of a knife
When I'm in the wrong you're everything that's right
And I believe in myself
You're my lullaby
And I'll never get enough of your time
And I'm never gonna feel so alive
You're my lullabyCause you're my lullaby
And I never get enough of your time
Without you there I'd die
You're my lullaby
There'll never be nobody else
Cause you're my lullaby
There'll never be nobody else
Cause you're my lullaby
And you get me off to sleep in the night
You're my lullaby
