Tangerine Man

Kik Tracee

(Lyrics: Stephen Shareaux
Music: Gregory Hex, Rob Grad)
It's easy to get around
He'll never break me down
Understand, I ain't your backdoor love thing
Move to the latest rage
Dance on a different stage
Understand, it's a heavy proposition
No, over and over say no
I'm never gonna be your thing
Tangerine man, know what I mean man
Yeah, he's a tangerine man
Tangerine man, can't you see man
Yeah, he's a tangerine man
Burn the eternal flame
But you'll never catch my name
You're burnin' out, I ain't your fireman of fantasy
Blue oyster boy don't stop until he's hard as rock
He's comin' on, raging bull won't ever stop
No, over and over say no
I'm never gonna be your thing
Yeah, I'm talkin' about a backdoor love thing
I'm going a la carte, blue oyster missed his mark
Couldn't read the signs, exit only
Listen to seranades, selling his lemonade
Turn around and take it to another place
No, over and over say no
I'm never gonna be your thing
Tangerine Man
No
