Playhouse

The Cuban Heels

You in our playhouse, let's play
Yeah, this ya boy Pleasure
Baby Blue, Slick 'Em, Spectacular
And we are Pretty Ricky
We can play house and touch, touch
Lay you on the couch and hunch hunch
Baby, just shh, hush, hush
I'mma eat ya body out like lunch, lunch
We can play house and touch, touch
Lay you on the couch and hunch, hunch
Baby, just shh, hush, hush
I'mma eat ya body out like lunch, lunch
Yeah, Baby Blue, whoa
I'll be your Jamaican lover strokin' in ya potwa
I'll be your Mexican lover bangin' up your pinyata
I'll be your French lover, got wee wee for your C double O chie
Baby, let me la, la, la, lick your body
Wax that ass, wax on wax off like Mr. Miyagi
I'mma eat that plum, pop that cherry,
Lick chocolate from your banana split
I'mma kiss your neck, keep it wet
Baby Blue, never has unprotected sex
This ice cream cone never got soft
It's gettin' late, turn the lights off
You tha worker and I'm tha boss
Got your pink slip, girl, let me lay you off
We can play house and touch, touch
Lay you on the couch and hunch, hunch
Baby, just shh, hush, hush
I'mma eat ya body out like lunch, lunch
We can play house and touch, touch
Lay you on the couch and hunch, hunch
Baby, just shh, hush, hush
I'mma eat ya body out like lunch, lunch
Baby, relax ya mind, I hear you grittin' ya teeth
I see you grippin' the sheets, your legs are squeezin' me
Girl, you can't handle me, five minutes you dead asleep
Havin' wet dreams fantasizing 'bout me
And I knew that you loved me 'cuz the way that you was shakin' me

Never 'bout teasin' to me always about pleasin' to me
And I can feel your body at its climax, you finna bust
So baby, close your mind and just hush, shh
Girl, I wanna play with you
(Don't stop, don't stop)
Girl, I wanna play with you
(Don't stop, don't stop)
Girl, I wanna play with you
(Don't stop, don't stop)
Girl, I wanna play with you
Yeah, I'll be your lover man, your sneaky, freaky, kinky brother man
Your undercover lover man, you my Wendy and I'm your Peter Pan
We can get freaky, deaky, playin' hop scotch or connect the dots
We can do it fast or slow but I'mma make your body hot
Long John Silver, got you grippin' the pillow, makin' ya body shiver
Lay up with ya like Reggie Miller, I'm your sexual healer for real-a
I know 12 ways to make your body shiver, let me drill ya
Open up your legs, let Slick 'Em go high and low and lick ya
We can play house and touch, touch
Lay you on the couch and hunch, hunch
Baby, just shh, hush, hush
I'mma eat ya body out like lunch, lunch
We can play house and touch, touch
Lay you on the couch and hunch, hunch
Baby, just shh, hush, hush
I'mma eat ya body out like lunch, lunch
(Don't stop, don't stop)
Girl, I wanna play with you
(Don't stop, don't stop)
Girl, I wanna play with you
(Don't stop, don't stop)
Girl, I wanna play with you
(Don't stop, don't stop)
Girl, I wanna play with you
