

# Why Her?

## Monica

My last tear just fell from my eyes  
Told myself that I wasn't going to cry no more  
(you did what you did, it is what it is) and that's why I walked out the door.  
Moved on with my life, but not really  
Spent too much time wondering how could you  
(you do this to us while we we're in love) I guess I was thinking too much

I was thinking that the sex had your love  
You never could get enough cause I kept it hot  
I listen to you tell me your dreams  
And your fears  
I wiped your tears  
I was there and this is why this is hurting me

Why her? Why her?  
Did I get on your nerves?  
Did I give you too much that you couldn't handle my love?  
Why her? Why her?  
Tell me what she was worth it, to make you put her first and deceive me.  
You wanna come back but I gotta know (why her?)  
I thought she was all that? Then why you at my door?  
(Now look at you, look at us, what's all this for?  
Hope you got the answers to my questions)  
Why her?

This going to be the last time we say goodbye  
Ain't going to be no reruns of this episode  
(you did what you did, it is what it is) Maybe if you would of told me  
You weren't happy, you weren't satisfied  
We could of worked it out  
Maybe we could of tried  
(but you didn't say nothing) All of alone fakin' it in front of me. Why?

I was thinking that the sex had your love  
You never could care enough but you know I cant deny  
I listen to you tell me your dreams  
And your fears  
I wiped your tears  
I was there and it hurts me

Why her? Why her?  
Did I get on your nerves?  
Did I give you too much that you couldn't handle my love?  
Why her? Why her?  
Tell me what she was worth it, to make you put her first and deceive me.  
You wanna come back but I gotta know (why her?)  
I thought she was all that? Then why you at my door?  
(Now look at you, look at us, what's all this for?  
Hope you got the answers to my questions)  
Why her?

Now ladies, y'all know I speak from experience right?  
I used to look at him and wonder why.  
Why her?  
Yeah know what I'm saying?  
But ladies, I learn not to worry about them living a happily ever after  
Because that shit just build on a lie  
So it should of fall  
That's why I stand tall (baby, baby, baby)  
I just looked at him and said this is why you

Why her? Why her?  
Did I get on your nerves?  
Did I give you too much that you couldn't handle my love?  
Why her? Why her?  
Tell me what she was worth, to make you put her first and deceive me.  
The grass looks greener on the other side  
But I promise you'll be back tonight  
Now look at you, look at us, whats all this for,  
Hope you got the answer to my questions  
Why her?
