

Once In a Lifetime Love

Carl Anderson

Once in a lifetime loveâ€¦Uh, uh, uh. uhâ€¦

Girl Iâ€™ve been missing youâ€¦..more than I should sayâ€¦.

But, right now isnâ€™t the time

For my pride to stand in my way..

Uuuu, Iâ€™ve been thinking too

But how it used to be

Is knowing made a mistakes, they seem unimportant to be

Donâ€™t sayâ€¦this is goodbye

Letâ€™s say, forgive it and try

No one got lips than sweeter

No one that gives can be there

Once in a lifetime loveâ€¦.

No one is home stronger

Maybe we both belong to

Once in a lifetime love

Oh girl I wanted tooâ€¦

To show you how much I care

But Iâ€™m not the boy that it can

I got the, no care the word prepared

Donâ€™t sayâ€¦this is goodbye

Letâ€™s say, forgive it and try

No one got lips than sweeter

No one that gives can be there

Once in a lifetime loveâ€¦.

No one is home stronger

Maybe we both belong to

Once in a lifetime love

So come back to my arms to sayâ€¦.

The fact it will come, Iâ€™ll wait only once in a lifetimeâ€¦

Once in a lifetime loveâ€¦.

No one is home stronger

Maybe we both belong to

Once in a lifetime love

No one got lips than sweeter
No one that gives can be there
Once in a lifetime loveâ€¦.
No one is home stronger
Maybe we both belong to
Once in a lifetime love
Uh, uh, uh, uhâ€¦..
