Stranger In The Mirror

Trapt

Looking for a validation like everyone else
Going through a transformation and losing myself
I tried to make the pieces fit when I knew it wasn't me
All the eyes are looking in and now I can seeThere's a stranger in the mirror
Looking back at me now
The illusion's getting clearer
Lost and I cannot be found
I don't recognize my face
I'm just so out of place
Who have I become
There's a stranger in the mirror
I've got to find a way outI gave off the wrong impression of somebody else
I know I've made some bad decisions I will regret
It's all I have left
Am I afraid of who I am
Can I be satisfied
If there's a way to take it back
Who will I findThere's a stranger in the mirror
Looking back at me now
The illusion's getting clearer
Lost and I cannot be found
I don't recognize my face
I'm just so out of place
Who have I become
There's a stranger in the mirror
I've got to find a way outStop running, running
Stop running, running
Stop running, running
Stop running away from meStranger in the mirror
I forgot who I once was
There's a stranger in the mirror
And I can't be something I know that I'm notThere's a stranger in the mirror
Looking back at me now
The illusion's getting clearer
Lost and I cannot be found
I don't recognize my face
I'm just so out of place
Who have I become
There's a stranger in the mirror

I've got to find a way outI've got to find a way out
I've got to find a way out
I've got to find a way out
I've got to find a way out
