Yours Begins Tonight

Insane Clown Posse

I really aint got no wins
Thats all right
I never had nothin to spin playa
Thats still all right
I aint got to many friends
Thats all right
I dont know when a story begins either
Your the man tonightBe sure you wanna do this
Cause once your down your down
Bitch you can make it through this
Ladies and gentlemen gather around
See a oddity a ramity a human fear
Stragin juggalagin and yet so realI really aint got no wins
Thats all right
I never had nothin to spin playa
Thats still all right
I aint got to many friends
Thats all right
I dont know when a story begins either
Your the man tonightIm walking though a battlefield
But i know my shit is tight
Looking for the bullet holes
Each one is beaming light
You gotta be real with it
Get drill with it dont let it disappear
You aint feelin it you cant deal with it
You feel tricked? wellI really aint got no wins
Thats all right
I never had nothin to spin playa
Thats still all right
I aint got to many friends
Thats all right
I dont know when a story begins either
Your the man tonightFunny thing is some people think we give a fuck
I wouldent give a fuck if a dump truck full of pump bucks
Nope i wouldent give none
Tvidea media and radio
Only reason while i carry a gun
Were here to let you know there is a better place to goI really aint got no wins

Thats all right
I never had nothin to spin playa
Thats still all right
I aint got to many friends
Thats all right
I dont know when a story begins either
Your the man tonight
I really aint got no wins
Thats all right
I never had nothin to spin playa
Thats still all right
I aint got to many friends
Thats all right
I dont know when a story begins either
Your the man tonight
