

# All to All (DJ Mom Jeans Remix)

## Broken Social Scene

Call of forgiveness  
I'm like the beat of the hurt  
I'm not the only one  
You tried to save when you fell out  
Call of forgiveness  
I'm like the clean in the dirt  
I'm not the only one  
You tried to crave when you fell out  
Try, wait  
You made your life on everything  
Hard, made  
You made your life on everything  
Try, wait  
You made your life on everything  
Long, fade  
You made your life on everything  
Call of forgiveness  
I'm like the heal of the hurt  
I'm like the only one  
You tried to save when you fell out  
Call of forgiveness  
I'm like the queen of the dirt  
I'm like the only one  
Who tried to stay when you fell out  
It's like the common law  
Was wall to wall  
And almost faded  
I've seen the gone to small  
The lost of law  
The almost made it  
It seems like mine to shine  
You'll always find the lonely ray  
It's like the wall to fall  
The fall of all  
The laws are graded  
I've seen the lies that call  
The pictures tall  
The lines are made in  
It's like the fight to crawl  
My darling all you've lived your age  
I know it's all to all  
All to all  
Ultimatum  
It's like the all to all  
All to all  
Ultimatum

It's like the all to all  
The all to all  
The ultimatum I know it's all to all  
All to all  
Ultimatum  
Just like the all to all  
All to all  
Ultimatum  
It's like the all to all  
The all to all  
The ultimatum You made your life on everything  
You made your life on everything
