Happiness

Hurts

Are you looking for happiness?
Or are you looking for something better?
Do you ever feel emptiness?
Are you scared, it's gonna last forever?Don't give it away, don't give it away!I don't want your happiness,
I don't need your happiness,
So never show me happiness,
I don't want your happiness.Everybody needs sanctuary,
Everybody needs hope and freedom.
But not everybody needs a preacher,
So don't tell me what you want me to hear.And don't give it away, don't give it all away!I don't want your happiness,
I don't need your happiness,
So never show me happiness,
I don't want your happiness.I don't want your happiness,
I don't need your happiness,
So never show me happiness,
I hope you find happiness.We don't need your cheap salvation,
Don't want sympathy.
We don't need your cheap salvation,
Over and over again.
We don't need your cheap salvation,
Don't want sympathy.
We don't need your cheap salvation,
Happiness.I don't want your happiness,
I don't need your happiness,
So never show me happiness,
I don't want your happiness.I don't want your happiness,
I don't need your happiness,
So never show me happiness,
I hope you find happiness.
