

The Apple

RaeLynn

I remember bliss was ignorance
Love was without risk of consequence
I shoulda listened when they told me not to
But you were leaning in I didn't stop you
So innocent Then I ate the apple
And kissed you
Bit into the mystery
And everything just started to unravel
Cause I ate the apple
And loved it
For a minute
I was in it
But I didn't know a heart could be so fragile
Till I ate the apple
Till I ate the apple You were sweet and that was all I saw
At 10 pm right up against the wall
I wasn't one to give into temptation
I guess you never know until you taste it
I took the fall When I ate the apple
And kissed you
Bit into the mystery
And everything just started to unravel
Cause I ate the apple
And loved it
For a minute
I was in it
But I didn't know a heart could be so fragile
Till I ate the apple
Till I ate the apple I'll fall in love someday but in someday I'll still be yours
I'll never see the world again the way I did before I ate the apple
And kissed you
Bit into the mystery
And everything just started to unravel
Cause I ate the apple
And loved it
For a minute
I was in it
But I didn't know a heart could be so fragile
Till I ate the apple

Till I ate the appleTill I ate the apple
Till I ate the apple
Till I ate the apple
Till I ate the apple
