We Must Love Each Other

Martin Luther King, Jr.

Martin luther king
martin luther king
he had a dream for america
martin luther king

he was a man who
wanted justice
more than anything
he was a man who died for freedom
martin luther king

martin luther king
martin luther king
he had a dream for america
martin luther king

he was a man who
love his country
now his name we sing
he taught us how to make
a difference
martin luther king
