

# One More

## Elliphant

Come on now sugar, come  
I really don't wanna go home  
Stay with me, be a friend  
These streets so cold  
And my mind's full of goals  
Come up now we take your car  
I know a sleazy bar  
Not far downtown you get tacos for free  
And it's open all night, come on hang with me I got money, I got money (I pay for you, I pay for you)  
I got money, I got money (if you pray for me, would you pray for me) Stay with me tonight  
We can count the street lights  
Stay with me alright  
Let's bring it all back to life  
Don't fade away  
Stay I like it here, fuck work  
Plus you said your boss is a jerk  
I need you now, don't bang on me  
Imma break your shit, let's do what we  
Always used to do  
Stupid around like two fools  
Nights are longer, I feel alone  
You look after me, it hurts I got money, I got money (I pay for you, I pay for you)  
I got money, I got money (if you pray for me, would you pray for me) Stay with me tonight  
We can count the street lights  
Stay with me alright  
Let's bring it all back to life  
Don't fade away  
Stay One more  
Come on  
It's not a big deal (it's not a big deal)  
One more (one more, girl)  
On me (come on)  
Then we go home  
It's not a big deal (it's not a big deal)  
One more (one more)  
Come on (come on)  
It's not a big deal (it's not a big deal)  
One more (one more)  
On me (on me, girl)

Then we go home (then we go home)  
It's not a big deal (it's not a big deal) Stay with me tonight  
We can count the street lights  
Don't fade away  
Stay with me alright  
Let's bring it all back to life  
Don't fade away  
Stay
