

Kansas City

Paul McCartney

Going to Kansas City, Kansas City here I come, ah huh

Going to Kansas City baby, Kansas City here I come, ah huh

They got some crazy little men there, I'm gonna get me one
I'm gonna be standin' on the corner, 12th Street and
Vine, yes I am

I'm gonna be standin' on the corner, baby, 12th Street and Vine, yes I am

Oh, with my Kansas City baby and a mug of Kansas City wine
Well, I might take a plane, I might take a train
But if I have to walk, yeah, I'm goin' just the same
I'm going to Kansas City, Kansas City here I come, uh huh

They got some crazy little men there, I'm gonna get me one
Well, I might take a plane, I might take a train
But if I have to walk, yeah, I'm goin' just the same
I'm going to Kansas City, Kansas City here I come, uh huh

They got some crazy little men there, I'm gonna get me one

They got some crazy little men there, I'm gonna get me one
