Plant White Roses

Kelly Hogan

When I pour my heart out, blood flows
I planted you, watered you with tears
And watched you grow away from me
So much for my green thumb
I've overstayed my welcomePlant white roses and plan to cry
If I can't spend my life with you
Plant white roses, I wanna die
If I can't spend my life with you
My life with you
When you're gone I stumble and I fall
I'm told that you don't wanna stay around
Those trains call
You're all I need
But you need more than country songs
You need to be getting alongPlant white roses and plan to cry
If I can't spend my life with you
Plant white roses, I wanna die
If I can't spend my life with you
My life with youYou'll have to stay
You'll have to stay and watch them grow
[x3]
Plant white roses and plan to cry
If I can't spend my life with you
Plant white roses, I wanna die
If I can't spend my life with you
My life with you
My life with you
