

Lay Low (ft. Nate Dogg Master P)

Snoop Dogg

Yo what's Crip-a-lat'n? Dis big Snoop Dogg
Leave your name and your number at the motherfuckin beep
If dis one of my hoes, two-way meAy ay Snoop whattup? This your nigga Dre
Ay man I was thinkin I ain't said shit on your whole motherfuckin album
So check it out, put this on there:

All you motherfuckin haters out there, can suck my motherfuckin dick!
And we still smokin, what?!For the nigga who be talkin loud and holdin his dick
Talkin shit, he better LAY LOW

For the bitch that said I shot some shit up out of my dick

Now she sick, she better LAY LOW

For the niggaz who be claimin my hood
and really ain't from my gang, better LAY LOW

I hope he don't be thinkin I'm just talkin
and I won't do a thing, really HOPE SO!

Hmm, lay low, nobody move until I say so

Limo tint rollin deep like the President

See I don't go to clubs, I never chase a bitch (beitch)

I'm here to bang that gangsta shit to the apocalypse

We call it stress, some of y'all call it chocolate

Return of the Top Dogg, and ain't no stoppin this

Whatever the case, I ain't tryin to catch it

Lay low, blow big dope, and slang records

Unseen but well heard, do not disturb

The only reason you alive cause I ain't sent the word

I flip, faster than birds, Snoop Dogg will emerge
from the smoke and go loc, you shouldn't provoke

I bring the worst from the L.B.C.

Smash motherfuckers thinkin they gon' smash on me

Snoop and Dre give a FUCK about what y'all say
From the "World's Most Dangerous Group" - N.W.A

Ay, ay

Our rise, it was no surprise

I always knew these fools would trip

Hatin, fakin, schemin on mine

and on the down low talkin shit

Best move cause I refuse to lose

no matter which damn road I choose

So lay low cause you might be bruised

Top story on the evening news

I ain't for games, so if you wanna play 'em lay low
Lay down on the floor
I'm in a rage, so if we gotta do this let me know
That's what I came fo' Where that nigga who be talkin' shit?
He don't come around no more because I fucked his bitch
I made her suck my dick, while I was squeezin' the tits
Then I hit it from the back, gripped tight on them hips
She tried to make me cum, but I was tryin' to take her home
Dropped you off and seen you fishin' on your raggedy Brougham
Coulda thumped you and the dog (you little fag)
And don't sag too hard, you show everybody your thong Booyaka booyaka, we bring it straight to ya
From 22's to Luger's the shit that shoot through ya
Who you motherfuckers think the Top Dogg bang with?
The same click he came with and made the game flip
Now niggaz grow they hair, hope they stayin' act hard
That's even tho' yo' CEO talk shit get slapped hard
The backyard is where we get our scrap on
The black car drive by then you get capped on Whassup pimpin? It's P and Snoop
With Dre on the beat, this ain't nuttin' but loot
They call me Jed Clampett for all the bread I got
but they call me Bill Clinton for all the head I got
I keeps it real-ah, cause I'm all about my scrilla
The ladies love me cause I'm a million dolla hitta
It's, No Limit til I D-I-E
C-P-3, or Richmond, Cali's where I be
