

Baby's On Fire

David Lee Roth

Woman, I've been thinkin'
We belong together
My intentions are bad and there's a richer man
But none better I am two parts diamond
Some say three parts dirt
I say no one moves
Nobody gets hurt Woman throws up her hands
Says, "Girl you lost your mind?
You look like 17 child goin' on 29"
Baby's on fire, just admit it's true I would call this bingo
If I'd even call at all
I'll pretend I'm GI Joe, yeah
You be Barbie Doll Baby's really burnin'
Ready for the town
Daddy's good, good little girl
Burn that schoolhouse down
I'm on fire
I admit it's true
Baby's on fire
Ooh, puttin' the flames out Baby's b-b-burnin'
Burnin' up the town
Daddy's good, good, little girl
Burn that schoolhouse down
Baby's on fire
I admit it's true Baby's on fire
Fire
Fire, yeah
Fire, yeah, yeah
Yeah, yeah
Puttin' the flames out
Yeah, yeah
