

# The Pleasure Principle

Janet Jackson

You might think I'm crazy, but I'm serious  
It's better you know now  
What I thought was happiness was only part-time bliss  
You can take a bow  
It was all just one big night out on the town  
Riding in your limousine  
We turned right and I say wrong which brings us to a stop  
As the light is changing Oh my meters running so I got to go now  
It's the pleasure principle oh oh ohhhh...  
It's the principle of pleasure Oh ohhh  
It's the pleasure principle oh oh - oh oh It's true you want to build your life of guarantees  
Hey take a ride in a big yellow taxi  
I'm not here to feed your insecurities  
I wanted you to love me  
This has become an all too familiar scene  
It's not the first time I paid the fare  
Where'd you get the idea of material possession?  
Thank you for the ride nowhere And oh my meters running so I've really got to go  
It's the pleasure principle oh oh - oh oh ohhhh It's the principle of pleasure ohhh  
It's the pleasure principle oh oh - oh oh... ohhhh... I know - what you mean to me  
Baby this is nowhere  
You know - what became between you and me  
human differential... It's the principle of pleasure  
Oh ohhhh oh ohhhh  
It's the pleasure principle - principle  
Oh oh oh oh You might say that I'm no good  
I wouldn't trust your looks baby if I could  
I got so many things I wanna do  
before I'm through.. Hey...  
It's the pleasure principle...  
It's the pleasure principle...  
Baby you can't hold me down  
Baby you can't hold me down  
After all the lovin' we've been through  
And after all you've put me through  
Yeah yeah, hey yeah Love me, hey yeah, Love me yeah!  
Hoo hoo hoo hoo  
It's the pleasure principle of love...  
yeah, yeah...
