Make it Happen

Playgroup

I can spell it in your eyes
I can feel it in my hands
I can taste it in your mouth
I can hear it in my head
Make it happen
Make it happen

I can spell it in your eyes
I can feel it in my hands
I can taste it in your mouth
I can hear it in my head
Make it happen
Make it happen

Cocoa pops in the story
And I'm here all alone
Asked for what I'm missing
Drinking words on the telephone

Cocoa pops in the story
And I'm here all alone
Asked for what I'm missing
Drinking words on the telephone

Make it happen
Make it hard
Make it happen
Make it smooth
Make it happen
Make it real
Make it happen
Make it fast
Make it happen
Make it last
Make it happen
Make it feel
Make it happen
Make it real
Make it happen
Make you feel

Make it happen
Make it happen
Make it happen
Make it happen

I can spell it in your eyes
I can feel it in my hands
I can taste it in your mouth
I can hear it in my head
Make it happen
Make it happen

I can spell it in your eyes
I can feel it in my hands
I can taste it in your mouth
I can hear it in my head
Make it happen
Make it happen

Voices in the city
Slowly killing me
Waiting for your lips to move
Those words of make believe
Make it happen
Make it happen

Move on closer break it up
Move on closer break it up
Move on closer break it up
Move on closer break it up

Move on closer break it up
Move on closer break it up
Move on closer break it up
Move on closer break it up

Move on closer break it up
Move on closer break it up
Move on closer break it up
Move on closer break it up

Move on closer break it up
Move on closer break it up

Make it happen
Make it happen
