

# Get You In

## Better Than Ezra

I sit and watch your flowers wilting in the kitchen  
I felt like I was one of them gasping for air  
I go from room to room hoping to find your presence  
I play my music louder than you'd like me to Can I be your lover?  
Can there be another?  
And when I feel without  
I want to get you in, yeah yeah Can I be your lover?  
At five o'clock you come shuffling in  
And when I lock you out, I want to get you  
Let you, get you in I understand that you are going through a hard time  
But what you need to recognize, I'm in one too  
You say that maybe we should take some time apart but  
You go your way, I'll get by, and you'll go get high, you just see if I mind Can I be your lover?  
Can there be another?  
And when I feel without  
I want to get you in, yeah yeah Can I be your lover?  
At five o'clock you come shuffling in  
And when I lock you out, I want to get you  
Let you, get you in Well, I could be wrong, I don't even know myself  
And I must be strong when you're gone so long  
I don't need to know reasons why What I wouldn't do for you  
What I wouldn't do for you  
What I wouldn't do for you  
What I wouldn't do for you Can I be your lover?  
Can there be another?  
And when I feel without  
I want to get you in, yeah yeah Can I be your lover?  
At five o'clock you come shuffling in  
And when I lock you out, I want to let you  
Get you, get you in I wanna get you in  
I wanna get you in  
I wanna get you in  
Oh, I wanna get you in What I wouldn't do for you  
What I wouldn't do for you  
What I wouldn't do for you
