The Duke

The Dave Brubeck Quartet

Out here in nothin' engulfed by the sea
And there's no one here 'cept these fishes and me
I think I could die here
Then I'm hit, leveled hard by the rising tide
Oh, I'm hit hard by the tide
I'm just livid, all alone
Sunny, so funny, not funny to me because
I'm bearing the scars from it burning on me

But I feel so revived, just sittin', little thinkin'
Then I'm hit hard, really hard by the tide
I'm hit hard by the tide, I'm just livid
And I'm livin'
Yeah, I'm hit hard by the tide
I'm livid, livid
Hard by the tide I'm livin' all alone
