

Love Over Gold

Dire Straits

You walk out on the high wire
You're a dancer on thin ice
You pay no heed to the danger
And less to advice Your footsteps are forbidden
But with knowledge of your sin
You throw your love to all the strangers
And caution to the wind And you go dancing through doorways
Just to see what you will find
Leaving nothing to interfere
With the crazy balance of your mind And when you finally reappear
At the place where you came in
You've thrown your love to all the strangers
And caution to the wind
