

Till the Heart Caves In

[k.d. lang](#)

Stood together in an open field
And share the secrets of the night reveal
Then we chase the light
Racing through the sky Can we untangle guilt and innocence?
How hard we torture this ambivalence?
Night will bring no dawn
Where's the power gone? For I'll steal your dreams while you are sleeping
And sell them for dust and cheap lust
And I'll turn your hope while you are weeping
And cover your eyes with sad lies and dark skies Come closer to me on your hands and knees
Alone when your will's gone
How much is not enough? How much is through?
How long will I be getting over you?
How much grief and sin?
