Never Had It So Good

Jessica Andrews

They could talk all their lives
And not find what we've got
Up and down all around
Beneath every rock
Our love is one of a kindWhere you took my heart
Is a whole different trip
It's a new cup of tea
I live for each sip
Our love intoxicates my mindYour kisses tell me more than words can say
Your touches, they just take my breath awayWhen we're together
Nothin' could ever be better
Don't you know that I've never
Never had it so good
Never had it so
Never had it so goodRound the block, round the world
We can go anywhere
Do a dance, sing a song
We can do what we dare
Our love is gonna take us thereYour kisses tell me more than words can say
Your touches they just take my breath awayWhen we're together
Nothin' could ever be better
Don't you know that I've never
Never had it so good
Never had it so
Never had it so good
