

Ain't Nothin' Goin' On but the Rent

Gwen Guthrie

Bill collectors at my door
What can you do for me?
Hey No romance without finance
No romance without finance Boy, nothin in life is free
That's why I'm askin you what can you do for me
I've got responsibilities
So I'm lookin for a man who's got some money in his hands Cause nothin from nothin leaves nothin
You got to have somethin if you wanna be with me
Oh, life is too serious, loves too mysterious
A fly girl like me needs security Cause aint nothin goin on but the rent
You got to have a J O B if you wanna be with me
Aint nothin goin on but the rent
You got to have a J O B if you wanna be with me No romance without finance
I said, "No romance without finance" Boy, your silky ways are sweet
But you're only wastin time if your pockets are empty
I've got lots of love to give
But I will have to avoid you if you're unemployed Cause nothin from nothin leaves nothin
You got to have somethin if you wanna be with me
Cause life is too serious, loves too mysterious
A fly girl like me needs security Cause aint nothin goin on but the rent
You got to have a J O B if you wanna be with me
Aint nothin goin on but the rent
You got to have a J O B if you wanna be with me No romance without finance
I said, "No romance without finance"
No romance without finance
I said, "No romance without finance" Oh, you look good to me
Your silky words are sweet
But your pockets sure look empty Ooh, nothin from nothin leaves nothin
You got to have somethin if you wanna be with me
Whoa, life is too serious, loves too mysterious
A fly girl like me needs security
I said, "Life is too serious, loves too mysterious
Fly girl like me needs security" Cause aint nothin goin on but the rent
You got to have a J O B if you wanna be with me
Aint nothin goin on but the rent
You got to have a J O B if you wanna be with me No romance without finance
No romance without finance
No romance without finance
I said, "No romance without finance" What can you do for me? Oh, you look good to me

Your silky words are sweet
But your pockets sure look empty
Aint nothin goin on but the rent
Im lookin for a man to put some money in my
hands
