## **Almost Lover**

## **A Fine Frenzy**

Your fingertips across my skin The palm trees swaying in the wind ImagesYou sang me Spanish lullabies The sweetest sadness in your eyes Clever trickWell, I never want to see you unhappy I thought you'd want the same for meGoodbye, my almost lover Goodbye, my hopeless dream I'm trying not to think about you Can't you just let me be? So long, my luckless romance My back is turned on you Should've known you'd bring me heartache Almost lovers always doWe walked along a crowded street You took my hand and danced with me ImagesAnd when you left, you kissed my lips You told me you would never, never forget These imagesWell, I'd never want to see you unhappy I thought you'd want the same for meGoodbye, my almost lover Goodbye, my hopeless dream I'm trying not to think about you Can't you just let me be? So long, my luckless romance My back is turned on you Should've known you'd bring me heartache Almost lovers always doI cannot go to the ocean I cannot drive the streets at night I cannot wake up in the morning Without you on my mind So you're gone and I'm haunted And I bet you are just fine Did I make it that easy to walk right in and out Of my life?Goodbye, my almost lover Goodbye, my hopeless dream I'm trying not to think about you Can't you just let me be? So long, my luckless romance My back is turned on you Should've known you'd bring me heartache

Almost lovers always do
