

Radio

Girlicious

I was wondering if I could, take you off somewhere
Me and you alone doing things we probably not supposed to,
I wanna make it close to, you.
And then grab the both of your hands, put them round my waist.
We'll start slow dancing while the disc jockey's playing our song.
I'll give it to you all night long, ooh yeah I'll let down my hair,
Take off all my clothes,
Up and down the stairs,
Till we end up on the floor,
It's just me, you and the radio
Me you and the radio
If you touch me there,
I might lose control
I hope you ain't scared,
To let your body go
It's just me you and the radio,
Me, you and the radio Just give me an instrumental
A sexy beat that makes me move,
Then I'm a be on you
I hope your ready
'cause this feeling is strong
I hope you know that it's on I'll let down my hair,
Take off all my clothes,
Up and down the stairs,
Till we end up on the floor,
It's just me, you and the radio
Me you and the radio
If you touch me there,
I might lose control
I hope you ain't scared,
To let your body go
It's just me, you and the radio,
Me you and the radio
(Talk to em now) Now turn your phone off
'cause we in the zone now
I'm gon' take my clothes off
We gon' break it on down
Me, you and the are-A-D-I-O
I know, that you're ready for me

I'm gon' jump on it, you just gotta keep it steady for me
And when my jam hit,
I'm gon' have it
I'm gon' do the damn thing,
I hope you can handle it
Got a couple candles lit,
Couple bottles of that 'trone
Promise I won't do you wrong,
When that DJ play my song,
It's gon' be on, oh I'll let down my hair,
Take off all my clothes,
Up and down the stairs,
Till we end up on the floor,
It's just me, you and the radio
Me you and the radio
If you touch me there,
I might loose control
I hope you ain't scared,
To let your body go
It's just me, you and the radio,
Me, you and the radio(Yeah yeah, hm, oh)
