

Desdemona

[Andrea von Kampen](#)

[Verse 1]

Oh woman please be true
I'm not a man that reads right through
An unfaithful heart
With pretty words that tear my world apart
Don't lie to me tonight
We just might not see the light
Don't lie to me tonight
I don't wanna
I don't wanna fight

[Chorus 1]
Desdemona

Turn the lights on
Tell me it's nothing
Promise it's nothing
That I can't bear
Oh Desdemona
Turn the lights off
Tell me it's nothing
Promise it's nothing
That I can't bear

[Verse 2]

Oh woman please be true
If I'm right then I've wronged you
Oh lord what have I done
There she goes her eyes are closed and gone

[Chorus 2]
Desdemona

Turn the lights on
Tell me it's nothing
Promise it's nothing
That I can't bear
Oh Desdemona
Turn the lights off
Tell me it's nothing
Promise it's nothing
That I can't bear
