

# Where Were You

## Brenton Wood

Tried to call you  
Come back to see you too  
But I could never get you on the phone  
When I'd come by you were never at home Where were you when I need you most  
You know I do  
When I needed you most  
Oh, oh, oh...oh, ho, ho...yeah Oh, baby, you say you love me  
It seems to me I've heard those words before  
There's an old sayin' that  
"Action speaks louder than words" Where were you when I need you most  
You know I do  
When I needed you most  
Oh, oh, oh...oh, ho, ho...yeah
