

Move In a Little Closer, Baby

Mama Cass

When your world's closing in
And there's no place to hide
And you're needing a friend
 To be there, at your side
 Send a message to me
 I'll arrive and you'll see
 Whether you're right or wrong
 This is where you belong
Give it a try and you'll seeMove in a little closer, baby
 You've got to keep me closer, baby
 Come in a little closer, baby
 Together, we can make it happen
Wait and seeWhen your troubles arrive
 Pouring down from the sky
 And you're feeling the down
You don't know what to doGive a holler to me
 I'm the one that you need
 Reach for my helping hand
 Then you will understand
How simplified it can beMove in a little closer, baby
 You've got to keep me closer, baby
 Come in a little closer, baby
 Together, we can make it happen
Wait and seeMove in a little closer, baby
 You've got to keep me closer, baby
 Come in a little closer, baby
 Together, we can make it happen
Wait and seeMove in a little closer, baby
 You've got to keep me closer, baby
 Come in a little closer, baby ...
