

Save Me

Jem

Save me, save me, save me, wooh I've gotta stop my mind working overtime
It's driving me insane
It will not let me live, always so negative
It's become my enemy Save me, ah, ah, save me, ah, ah
Save me, ah, wooh
Save me, ah, ah, save me, ah, ah
Save me, ah, wooh Why would I think such things, crazy thoughts have quick wings
Gaining momentum fast
One minute I am fine the next I've lost my mind
To a fake fantasy And none of these thoughts are real
So why is it that I feel so cut up and so bad
I need to take control 'cuz my mind is on a roll
And it isn't listening to me Save me, ah, ah, save me, ah, ah
Save me, ah, wooh
(Thinking and thinking)
Save me, ah, ah, save me, ah, ah
Save me, ah, wooh
(Thinking and thinking) Mirror mirror on the wall
Who's the dumbest of them all?
Insecurities keep growing
Wasted energies are flowing Anger, pain and sadness beckon
Panic sets in in a second
Be aware, it's just your mind
And you can stop it anytime Save me, ah, ah, save me, ah, ah
Save me, ah, wooh
(Thinking and thinking)
Save me, ah, ah, save me, ah, ah
Save me, ah, wooh
(Thinking and thinking) Okay, so here we go
If it works I'll let you know
One, two, three
I say stop
