

# Yesterday's News

## Gossip

Well I guess today's the day  
It's been a year ago a day  
That is since you went away  
And sometimes it still gets to me  
Oh yesterday's news is  
All the day it's tragedy  
But I won't let it get to me  
Not like I used to  
Oh yesterday's news is  
All the day it's tragedy  
But I won't let it get to me  
Like I used to  
So I took all your pictures down  
And all that's left is an empty wall  
And I guess if you see me around  
I'm glad you did not see me at all  
Oh yesterday's news is  
All the day it's tragedy  
But I won't let it get to me  
Not like I used to  
Oh you and me  
Yeah we're yesterday's news  
But I can't keep from wondering  
If it gets to you too  
So I took all your pictures down  
And all that's left is an empty wall  
And I if you see me around  
I'm glad you did not see me at all  
So tell me your worse I'll tell you mine  
And if she asks, I'm doing fine  
Except that I can't keep from crying  
And that I miss her all the time
