## Harmonia

I was thinkin' about him
Thought he'll realize me
But it's only just a dream
If I never let him knowIn a while I look at him
I bit one's, my lips
But for sure, I want him to knowYes you do, yes you do
You're my only inspiration
Yes you do, yes you do
You're the one that I want to, baby
Cause I love the way that you are, Baby
I'm tired of waitin' baby
Tryin' to move on
But I fall, back to you againBack to reef 2x
That I want you, That I need you
And I know (Yes I do)
That I want you, That I need you
And You know (Yes You Do)But I'm fallin back to you again
But Im fallin back to you again
Yes, you do
