Party On Plastic (What's Bootsy Doin'?)

Bootsy Collins

What's Bootsy doin' ?
Shake that floppy disk
Shake that floppy disk
Turn your radios up
Don't you wanna party with us ?
We party harty when we party
You can run but you can't hide
There is no hiding place
I want you all so-called bad mothers
To just get out my face (yo)
But if you feel the groove
You can go ahead and move
Shake your body down
I want you to know that i'm back
Ha, he's Bootsy !
And, don't ever send a mouse
To the job of a rat baby
Turn your radios up, turn it up
Cos' when we party, we party real tough
It ain't nothing but a party, baby
Turn your radios up, you got to turn it up
Cos' when we party, it gets real rough
This is your party on plastic
This is your party on plastic
And it's super groove elastic
This is your party on plastic
And it's fantastic, baby !
This is your party on plastic
I want to party
Do you want to party ?
Get up on this !
I wanna play
I wanna pull some string today
Do you want me to play ?
Yeah !
Play it Bootsy !
I'm gettin' ready to blow you away
Hit me now
Shake it

Shake that floppy disk
You got to shake it
Shake it
Shake that floppy disk, shake, shake
Break it baby
Shake it
Shake that floppy disk
You got to shake it
I'm gonna shake it
And don't ever walk the water
Unless you know where the rocks are baby
Hey, hey, hey
I wanna know where the party is
Excuse me fellas, hello
I think i want to party
Right here
Yeah, but is it legal ?
Let me see you wiggle, girl
This is your party on plastic
And it's super groove elastic
This is your plastic
And it's fantastic, baby !
This is your party on plastic...
