Time to Move On

Plain White T's

Stripped off all these dirty sheets
And burned 'em all
I think it's time to move on
Boxed up all your shit
And donated it all
I think it's time to move on
Tough climb to come from rock bottom
But these
High hopes will drive me nonstop
And guess what
These chucks were made for walking baby
I think it's time to move on
Ooooooohhhhh
Here I go
With the breeze at my back
And a sail on my soul
Ooooooohhhhhh
Here I go
And I'm going, going, going, gone
I think it's time to move on
I think it's time to move on
Erased all your numbers
and I'm changing mine
So I'm not tempted to call
Threw out every letter from you I could find
I think it's time to move on
Break down, the tank is on empty
But these
High hopes will drive me nonstop
And guess what
These chucks were made for walking baby
I think it's time to move on
Ooooooohhhhh
Here I go
With the breeze at my back
And a sail on my soul
Ooooooohhhhh
Here I go
And I'm going, going, going, gone

I think it's time to move on
I think it's time to move on
Now every time I see you
I still want you
I still need you
And I know you need me too
But we gotta stop
You know we gotta stop
I think it's time to move on
(Ooooooohhhhh oooohhhh oooohhhhh)
Ooooohhhhh
Here I go
With the breeze at my back
And a sail on my soul
Ooooohhhh
Here I go
And I'm going, going, going, gone
I think it's time to move on
I think it's time to move on
I think it's time to move on
I think it's time to move
