Passing

Garrison Starr

What can I do for you
Don't you know who i am
I am worthy
I am jesus
Right hand man
She said all you could use a hand
They could all use my hand
But you"re passing
You are here and then you are gone
I said you're passing
And i'm angry at the world
She says i'm angry at the world
Didn't you know
That boy sittin' over there
With the way he is going
He hasn't got a prayer
And he's probably not even worth knowing
She said all you could use a hand
They could all use my hand
But you're passing
You are here and then you are gone
I said you're passing
And i'm angry at the world
She says i'm angry at the world
Didn't you know
If only you'd realize
If only you'd listen
Why don't you realize
Is that what you've been thinkin'
But you're passing
You are here and then you are gone
I said you're passing
And i'm angry at the world
She thinks i'm angry at the world
Not really angry at the world
Just angry at you you ignorant girl
Didn't you know
