

Shaka Doobie (the Limit)

Sammy Hagar

Walk out the bedroom
Into the light
Cant sleep cause mornings come
Cant sleep all nightBurned out on the TV set
Burned outta sex
I ain't trashed
Im fucking wreckedThe skys the limit
Shaka Doobie, Shaka
So high, up in it
Shaka DoobieOh, everybody hates me
And I, I hate myself
She have no mercy
Shes something elseI dont feel stupid
I feel too sick
Another line, a shot
And who gives a shit?The skys the limit
Shaka Doobie, Shaka
So high, up in it
Shaka Doobie, Shaka DoobieThe skys the limit
Shaka Doobie, Shaka
So high, up in it
Shaka DoobieYeahShaka, Shaka Doobie
Shaka, Shaka Doobie
Shaka, Shaka Doobie
Shaka DoobieI like my sugar
Flat on her back
Juicin it up, baby
In the sackThe skys the limit
Shaka Doobie, Shaka
So high, up in it
Shaka Doobie, Shaka DoobieThe skys the limit
Shaka Doobie, Shaka Doobie
So high, up in it
Shaka DoobieShaka Doobie
Shaka Doobie
Shaka Doobie
