

# Yes Girl

Bea Miller

[Verse 1]

Could tell you what you wanna hear

Cause the truth is always in the way

I never wanna live in fear

I don't wanna hold back all the things I need to say

Say, say[Chorus]

I got you figured out, you need to have control

You think that I don't know you, I know you, I know

Trying to tell you now, I've been doing what you want

But I won't be your yes girl, no, not anymore

Just let me go, just let me go

Won't be your yes girl, no, not anymore

Just let me go, just let me go

Won't be your yes girl, no, not anymore[Verse 2]

You used to always let me in

Do you even know you changed?

And now you're my favorite sin, oh

That's not mean that all your side when I'm not away[Chorus]

I got you figured out, you need to have control

You think that I don't know you, I know you, I know

Trying to tell you now, I've been doing what you want

But I won't be your yes girl, no, not anymore

Just let me go, just let me go

Won't be your yes girl, no, not anymore

Just let me go, just let me go

Won't be your yes girl, no, not anymore[Bridge]

No, I won't do it anymore

I won't do it anymore[Chorus]

I got you figured out, you need to have control

You think that I don't know you, I know you, I know

Trying to tell you now, I've been doing what you want

But I won't be your yes girl, no, not anymore

Just let me go, just let me go

Won't be your yes girl, no, not anymore

Just let me go, just let me go

Won't be your yes girl, no, not anymore

Not anymore
