Once In A Lifetime Groove

New Edition

Ooh
I see you standing there
So lost and all alone
I wanna take you in my arms
And tell you that youre homeI look into your eyes
I know you very well
I see a mirror of my life
A reflection of myselfThe sun comes up, the sun goes down
And in between you gotta make it seem like somethin counts
Youre seachin here, youre searchin there
For the dream thatll make you seem like someone caresReach out and touch
The love that I have for you
Cause this kinda love
Is a once in a lifetime groove
(Oh, girl, yeah)You wanna take a chance
I see it on your face
You know my loves the answer
Girl, dont be afraidI know just what to do
To be a shining star
I know just how to rescue you
Cause Ive been where you areThe sun comes up, the sun goes down
And in between you gotta find a dream that makes life count
Youre seachin here, youre searchin there
Your job is done, you found a lover and someone caresThis kinda love
Is a once in a lifetime groove
(Ooh, ooh, ooh)
Cause this kinda love
Is a once in a lifetime groove
(Yeah)Reach out and touch
The love that I have for you
(Ooh, ooh, ooh)
Cause this kinda love
Is a once in a lifetime groove
(Yeah, ooh)This kinda love
This kinda love

This kinda love(The sun comes up)
The sun comes up, the sun goes down
