100% All Man

Keith Sweat

Hot, hot, Keith Sweat
Hot, hot, hit district
Hot, hot, Royalty
Hot, hot, come on
No, no
Yea, yea
Hundred percent girl, listen
There's a thin line when it comes to
The type a dude that can have you
He's got to be so official
The type of guy that don't take no
So for instance you can take me
I got money but I'm low key
Be buggin' when need be
An' all of the above point at me
Forty percent lover, ten percent playa'
Ten percent stunner, no percent hater
Forty percent hotty, add it up mami
You're hundred percent all man
Forty percent lover, ten percent playa'
Ten percent stunner, no percent hater
Forty percent hotty, add it up mami
You're hundred percent all man
Now I been checkin' out ya profile, mami
You want me, if I'm wrong please stop me
If it's real lemme know right now
We can slide to my crib, baby
Your ex man can't sex like we on X
If my exit, can you say yes?
I can throw it, I can show it
I can lay it, I can slay it, baby
Forty percent lover, ten percent playa'
Ten percent stunner, no percent hater
Forty percent hotty, add it up mami
You're hundred percent all man
Forty percent lover, ten percent playa'
Ten percent stunner, no percent hater
Forty percent hotty, add it up mami
You're hundred percent all man

I can lock you down, throw away the key
Make you feel like your my queen to be
Take you round the world in forty days, baby
I can show you things that you never seen
Make you feel like you are in a dream
One hundred percent, I'm everything you need
So holler at me
Forty percent lover, ten percent playa'
Ten percent stunner, no percent hater
Forty percent hotty, add it up mami
You're hundred percent all man
Forty percent lover, ten percent playa'
Ten percent stunner, no percent hater
Forty percent hotty, add it up mami
You're hundred percent all man
